THE 3 PEAKS 24 HOUR CHALLENGE

THURSDAY 17 JUNE 2010

Logan together with 4 friends is going to complete the 3 Peaks 24 hour Challenge in aid of the Meningitis Trust, Cancer Research and Macmillan Cancer Support.

This challenge comes shortly after a local farming family were devastated, firstly losing a sister / daughter with meningitis and then just 6 months later a mother / wife to cancer.

Many people in the Borders and further a field will recognise this awful tragedy as being that of the Mactaggart family from Hallrule Farm, Bonchester Bridge, Hawick.

With David Mactaggart and Louise Aitken –Walker in charge of navigation the team intend to conquer Ben Nevis (1,344 metres) Scotland's highest to Scafell Pike (977 metres) England's best, heading southwards to finish with Wales's mighty Mount Snowdon (1,085 metres).

Our start time is 7.30pm from the Nevis visitor centre with our target time of 18 hours we really hope to be finished by lunchtime on Friday at the bottom of Mount Snowdon.

Training as some know is under way and going well. Anyone who would like to accompany us on weekend hikes or climbs would be very welcome to join in on the build up to our big day in June.

Please give generously to these excellent causes to help make this a fantastic event to remember.

Cheques can be made out to 'BLE Charity Account' or alternatively monies can be bank transferred to Account Number 00244327 Sort Code 83 23 18.

Please also include your full name and address as the charities can then qualify from full tax benefits.

Border Livestock Exchange Ltd, 54 -58 Marygate, Berwick-upon-Tweed, TD15 1BN.
