A) Holding restrictions and other matters relevant to public health						
<ul style="list-style-type: none"> The holding is not under movement restrictions for any other animal disease or public health reason Withdrawal periods have been observed for all veterinary medicines and other treatments administered to the animal(s) while on this holding and previous holdings. To the best of my knowledge the animals are not suffering from any disease or condition that may affect the safety of meat derived from them. No analysis of samples taken from animals on the holding or other samples has shown that the animals in this consignment may have been exposed to any disease or condition that may affect the safety of meat or to substances likely to result in residues in meat. 						
B) Assurance scheme eligibility						
<ul style="list-style-type: none"> I confirm that these animals have been produced in accordance with the Assured British Meat or Quality Meat Scotland standards, and have resided on an assured farms for no less than 60 consecutive days up to the point of slaughter. These animals have been resident on the final farm for a minimum of 20 days. I declare that all Welsh lambs (if supplied as Welsh) have been born and reared in Wales (PGI status) <input type="checkbox"/> I declare that all Scotch lambs (if supplied as Scotch) have been born and reared in Scotland (Scotch status) <input type="checkbox"/> I declare that all Mey Lambs (if supplied as Mey) have been born and reared to Mey lamb specification <input type="checkbox"/>
