Section 2: I declare that all sheep in this consignment:

- a) Comply with all current relevant legislation
- b) To the best of my knowledge, all lambs are under 12 months of age (i.e. no permanent incisor teeth have erupted through the gum) and Regional bonus NSL & OSL lambs are under 6 months of age (April to end September) and under 8 months of age between October & January.
- c) Have been born and bred in the UK and produced in accordance with all Red Tractor Beef and Lamb standards and Organic certification standards (as appropriate)
- d) Have resided on Red Tractor Beef and Lamb assured holdings for at least the last 60 days and have resided on the last holding for at least 20 days (30 days for M&S Select Farms)
- e) The haulier used (if applicable) is a member of the Red Tractor or QMS Farm Assurance Haulier Scheme and the animals were fasted for at least 3 hours prior to loading
- f) None of the animals listed have been treated with critically important antibiotics as outlined in the Kepak antibiotic factsheet.
- g) All animals comply with the Kepak Red Meat 'clean livestock policy'. I understand that any dirty animals may be clipped at my own expense

Section 3: Compulsory Food Chain Information

Sheep and goats on this holding are NOT under movement restrictions for any animal disease or public health reasons (excluding a 6-day standstill). Withdrawal periods have been observed for all veterinary medicines and other treatments administered to the animals whilst on this holding and previous holdings. To the best of my knowledge none of the lambs in this consignment are cloned or 1st generation progeny of cloned animals, nor are they suffering from any disease or condition that may affect the safety of the meat derived from them. No analysis of samples taken from these animals or other animals on the holding has shown that the animals in this consignment have been exposed to any disease or condition that may affect the safety of meat or to substances likely to result in residues in meat.

Section 4: Confirmation of PGI Compliance

- a) The animals that are declared as West Country have been born, reared & finished within the West Country region and during their lifetime have been fed on a minimum 70% forage based diet and received a suitable period of grazing.
- b) The animals noted in Section 6 as Scotch are compliant with Scotch PGI requirements
- c) The animals noted in Section 6 as Welsh are compliant with Welsh PGI requirements

**I have attached a further sheet with additional information on any animals in this consignment which
DO NOT comply with all the conditions in Sections 2, 3 and 4 above (please tick if yes)**

Please tick the box opposite if the lambs have **NOT** been fasted for at least 3 hours prior to transport

Section 5:

Data Protection: I understand that Kepak is required to hold my personal data to meet contractual / legal obligations and that my data may be shared with Kepak customers and third parties as part of the requirements to supply red meat products

Payment: I understand that all animals in this consignment will be priced against the current, relevant Kepak grid
