FOOD CHAIN INFORMATION

Declaration:

- The holding is not under movement restrictions for any other animal disease or public health reasons (excluding a 6 day standstill).
- Withdrawal periods have been observed for all veterinary medicines and other treatments administered to the animals while on this holding and previous holdings.
- To the best of my knowledge the animals are not showing signs of any disease or condition that may affect the safety of meat derived from them.
- No analysis of samples taken from animals on the holding or other samples has shown that the animals in this consignment may have been exposed to any disease or condition that may affect the safety of meat or to substances likely to result in residues in meat
- The holding is not under movement restriction for bovine Tuberculosis (TB)
- All animals have originated from establishments that have received regular animal health visits from a veterinarian for the purpose of the detection and signs of disease.
- All drivers must carry a mobile phone and notify the office on 0114 2470814 in the event of a breakdown or significant delay.
- By signing this document, you confirm that all cattle are fit and healthy to travel.
- All cattle are the responsibility of the Owner/Haulier until unloaded into the Lairage. Woolley Brothers (Wholesale Meats) Ltd staff are not permitted to unload cattle.
- The vehicle been cleaned and disinfected prior to loading with a disinfectant authorised by the competent authority.
