Declaration		
<b>Information about holding restrictions or results of analysis of samples relevant to public health for the animals listed on reverse of this form.</b>		
The holding IS NOT under movement restrictions for Bovine Tuberculosis (TB)* The holding IS UNDER movement restrictions for Bovine Tuberculosis (TB)* <span style="float: right;">Delete one*</span>		
The holding is not under movement restrictions for any other animal disease or public health reason		
Withdrawal periods have been observed for all veterinary medicines and other treatments administered to the animal(s) while on this holding and previous holdings		
To the best of my knowledge the animals are not showing signs of any disease or condition that may affect the safety or meat derived from them. No analysis of samples taken from animals on the holding or other samples have shown that the animals in this consignment may have been exposed to any disease or condition that may affect safety of meat or to substances likely to result in residues in meat.		
All of the animals have originated from establishments that have received regular animal health visits from a veterinarian for the purpose of the detection and signs of disease.
